Larynx Cancer

The UCSF Patient and Family Cancer Support Center is the hub of support, information and resources for people with cancer at the Helen Diller Family Comprehensive Cancer Center. Learn more about UCSF's supportive care programs at https://cancer.ucsf.edu/support/crc/patientsupport-center

The Cancer Support Center at Mission Bay is located at 1825 4th St., 1st Floor, Room M-1210. The Cancer Support Center at Mt. Zion is located at 1600 Divisadero St., 1st Floor, Room B-101. The complete list of Patient Education Resource Pages is available to view at http://cancer.ucsf.edu/support/crc/patient-education-resources

Overview

Larynx cancer, also called laryngeal cancer, occurs when malignant cells form in the tissues of the larynx. Many cancers of the larynx, which is part of the respiratory tract, begin in the vocal cords. Learn more information about signs, symptoms, diagnosis, treatment, and resources at the link provided. UCSF Resources

UCSF Head and Neck Surgery Cancer Program

The UCSF Head and Neck Surgery Cancer Program provides comprehensive, world-class care for people with head and neck tumors. These tumors can affect key functions such as breathing, speech, sight and swallowing, as well as appearance. We are committed to providing the most advanced and personalized care to protect both our patients' health and their quality of life. We're equally committed to providing an accessible, caring and informative environment that supports patients before, during and after treatment. Organizations

Cancer Support Community – Laryngeal Cancer
As the largest professionally led nonprofit network of cancer support worldwide, the Cancer Support Community is dedicated to ensuring that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.
Website: https://www.cancersupportcommunity.org/laryngeal-cancer | Phone Number: 888-793-9355

Head and Neck Cancer Alliance
As the largest professionally led nonprofit network of cancer support worldwide, the Cancer Support Community is dedicated to ensuring that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.
Website: https://www.headandneck.org/ Phone Number: 866-792-4622

HNC Living Foundation
HNC's mission is to help head and neck cancer patients live life fully, during and after treatment, through financial assistance. Although starting local, their vision and commitment is to become the national resource of financial assistance for head and neck cancer patients. They provide financial assistance in a variety of ways including dental assistance, lodging, transportation, and other patient services. Website: https://www.hncliving.org

National LGBT Cancer Network
The National LGBT Cancer Network works to improve the lives of LGBT cancer survivors and those at risk by: EDUCATING the LGBT community about our increased cancer risks and the importance of screening and early detection; TRAINING health care providers to offer more culturally-competent, safe and welcoming care; and ADVOCATING for LGBT survivors in mainstream cancer organizations, the media and research.

The Oral Cancer Foundation
Founded by an oral cancer survivor, Brian R. Hill, the foundation's goals are supported by a Scientific Advisory Board composed of leading cancer authorities from varied medical and dental specialties, drawn from premier cancer treatment, research, and educational institutions in the US. They provide members with lots of informational tools on financial assistance, insurance information, screenings, up to date news, and podcasts. They put on numerous events and help you find free screenings. Website: https://oralcancerfoundation.org/

Support for People with Oral and Head and Neck Cancer (SPOHNC)
Support for People with Oral and Head and Neck Cancer (SPOHNC) pronounced "Spunk" is a nonprofit organization involved in the development of programs of support. As such it can have an enormous positive impact on meeting the psychosocial needs of patients as well as preserving, restoring and promoting physical and emotional health.

WebWhispers

WebWhispers was started in 1996 for those who had questions about larynx cancer treatments, surgery, recovery, and what life is like after laryngectomy surgery. We are now the largest support group for individual laryngectomee survivors of larynx and other throat cancers. We offer advice from those who have been there and education at the time it is needed. Our membership is composed of patients, caregivers, medical professionals and suppliers. Come join us in order to use our full facilities. It's free to join and no dues to pay.
